This is a chair composed for comfort, accessibility and function. The challenge has been in working with the pressed veneer to achieve bold curves which are comfortable yet retain the clean lines and strength of the material.

Design Jens Fager
SOFT SEAT

Hug Chair either come with a back and seat in pressed veneer or with a soft upholstered pad for longer sitting.
MAKING EVERYDAY LIFE A LITTLE SIMPLER

The Hug chair is perfect for every occasion, every person and every place. It is easy to stack and can be suspended from a table by its frame, facilitating cleaning and making everyday life a little simpler.
MEASUREMENTS
HUG IS A BUSINESS FAMILY

CLASSIC
This segment, with a focus on price, is aimed at companies and organisations that want to create workplaces for a low price. With simple but stable design in combination with fewer versions, materials and colours, prices are kept down.

BUSINESS
The segment with a focus on function. Classic is aimed at organisations and companies that need their office space adapted and functional workplaces with long lifespan for a low cost over the product life-cycle.

EDGE
The segment with a focus on design. Aimed at companies and organisations that see a well-designed workplace as an important competitive advantage, built when it comes to employability and attraction of competent employees, and for reinforcing the brand through the office.

CERTIFICATES
Edsbyn was the first manufacturer of office furniture to be Nordic Ecolabelled.

THE NORDIC ECOLABEL
Edsbyn was the first manufacturer of office furniture to be Nordic Ecolabelled.

CERTIFIED PRODUCTS
Reflect work desks and storage units are certified according to Möbelfakta. This means that:
- Technical quality standards for sustainability, stability and safety and product resistance.
- Environmental standards for materials and products. The environmental standards primarily relate to our material, production and product standards relate to the completed item of furniture. Producers and subcontractors undertake systematic environmental, health and safety work and comply with current occupational health and safety legislation.

THE WORKING OFFICE

The human being is social.

So ideas and development take off when we meet and work together. This means the office is necessary as a meeting place even if the work itself is changing. And new ways of working demand new kinds of furniture that help the office to function and the staff to deliver.
