GENERAL CONDITIONS SEK 2020

SUITABILITY

These General Conditions of Sale and Delivery shall apply unless they are amended in writing by agreement between the Parties.

1. PACKAGING

The prices given in the price lists, offers and agreement include the costs of the packaging required under normal transport conditions for the prevention of damage to or impairment of the goods.

2. OFFER DOCUMENTS AND DRAWINGS

An offer submitted by the Seller will be valid for 30 days from the date of the Buyer's receipt of the offer, and the Buyer's acceptance must be received by the Seller within this time scale.

Notwithstanding this, the seller has the right to withdraw his offer at any time, unless acceptance has been made.

Tenders / quotations, drawings and other documents submitted by the seller to the buyer remain the property of the seller. They may not be used by the buyer or copied, reproduced, disclosed or otherwise brought to the knowledge of third parties without the consent of the seller.

3. PRICING INFORMATION

Prices quoted apply to Ex Works (INCOTERMS), excluding VAT, other taxes or charges. The seller may, for special remuneration, undertake work on unpacking, mounting and arranging the goods on site designated by the buyer and handling of packaging or packing. If the buyer requests a longer delivery time than three months from the order date, the seller is entitled to change prices with the percentage change in the Swedish Office Furniture Index between the order and the delivery day. Shipping costs are charged separately.

The buyer understands that the seller may purchase products or parts of these from a subcontractor in a country other than Sweden. Prices quoted in quotation / quotation or in price list are based on the exchange rates prevailing at the time of the tender and the seller's costs for such purchases. The seller reserves the right to adjust the price in exchange rate fluctuations exceeding +/- 10%.

4. PRODUCT CHANGES

The Seller reserves the right to make changes in the construction and design of the product, and the associated price adjustments.

5. SAMPLE FURNISHING, PROTOTYPE M.M.

Sample furnishing can be done by special agreement on this. The buyer shall be responsible for the costs of transporting the products between the manufacturer's factory or warehouse, and the location of the sample furniture, and the risk in relation to the seller that the products covered by the sample furniture are damaged or destroyed during the sample furniture period or transport.

The buyer is obliged to reimburse the seller's reasonable costs for the production of prototypes, samples and the like if so requested by the buyer. Buyer's obligations under this paragraph include, e.g. costs for developing specially adapted manufacturing tools and material costs.

6. DELIVERY

Delivery time is stated on the seller's order confirmation and refers to the time for delivery from the seller's factory. Delivery takes place Ex Works (INCOTERMS) the seller's factory in accordance with the INCOTERMS applicable at the time of issuing the order acknowledgment. Unless otherwise expressly stated in the order acknowledgment, all shipments take place at the buyer's expense and the buyer shall reimburse the seller for such transport costs in addition to the quotation / quotation or in the order acknowledgment price for the product.

7. BUYER'S DELAY GOALS TO RECEIVE DELIVERY

If the buyer realizes that the buyer will not be able to receive the delivery in accordance with the delivery plan, the buyer must inform the seller in writing as soon as possible. The message must contain the reason for the delay and, if possible, the time when the buyer can receive the delivery instead. If the buyer fails to receive delivery on an agreed time, he is still obliged to fulfill the agreed payment plan and pay as if delivery had been made. The buyer is also obliged to reimburse the seller for any additional costs the seller is caused as a result of this in the form of e.g. set loading or assembly work, etc.

During the Buyer's delay, the Seller shall arrange for the Storage of the Product at the Buyer's risk and expense. If the buyer is unable to receive the products in a timely manner, the seller is entitled to a penalty. The penalty shall amount to 1.5% of the agreed price for the part of the products to which the delay applies and shall be payable for each seven-day period commenced from the date on which the delivery would have taken place and as long as the delay lasts. Vitet refers to, among other things, the seller's costs for storage and handling. If the seller's actual costs as a result of the buyer's delay exceed the accumulated fine, the seller is entitled to compensation for such costs as well. The seller is obliged to insure the products during the time it is stored due to the buyer's delay only after the written request of the buyer and only then the buyer in advance reimbursed the seller the cost of such insurance.

If the Buyer's delay lasted more than 10 weeks, the Seller may request in writing that the Buyer receives the delivery within a reasonable time limit, which shall be at least 14 days. If the buyer fails to receive the products within the time limit, the seller has the right to cancel the Agreement in writing with regard to the part of the delivery that could not be fulfilled due to the buyer's inability to receive the delivery. If the Seller cancels the Agreement or part of the Agreement with reference to the Buyer's delay, the Seller is entitled to compensation for the direct damage the Seller suffers as a result of the Buyer's delay. The compensation may never exceed the agreed price in respect of the part of the Agreement terminated. Claims for fines and / or damages must be made in writing no later than 30 days from the maximum penalty being reached or, where applicable, from the time the seller canceled the agreement. Failure to do so will forfeit the seller's right to claim fines and / or damages as a result of the delay in question, and the claim may also not be relied upon to set off.

8. TERMS OF PAYMENT

The buyer must pay for goods delivered within 30 days from the invoice date. The seller has the right not to deliver the goods if the buyer can be assumed to be insolvent and the buyer does not make payment in advance or guarantees the seller with payment security. If the buyer does not pay on time, the seller is entitled to deduct from the invoice due date the interest rate, which by eight percentage points exceeds the Riksbank's reference rate. The buyer is not entitled to withhold any part of the payment for set-off due to the requirements the buyer has against the seller.

9. RESERVATION OF TITLE

Delivered goods remain the seller's property until full payment is made. In the case of partial payment, if the goods are repossessed, the seller shall unilaterally decide which part of the delivery remains unpaid. The buyer shall keep the goods delivered securely insured until the ownership of the goods has been transferred to the buyer.

10. SELLER'S DELAY TARGET WITH DELIVERY

If the seller realizes that delivery will not be possible on time, the seller must inform the buyer in writing as soon as possible. The message shall contain the reason for the delay and, if possible, the time at which delivery is expected to take place. If the delivery delay is due to any circumstance on the part of the buyer, the seller is entitled to a reasonable extension of the delivery time.

11. ASSEMBLY AND INSTALLATION

Unless otherwise expressly stated in the order acknowledgment, installation and installation of the Product shall be done through the buyer's care and at the buyer's expense. Assembly and installation are thus not included in the agreed price unless this is expressly stated in the order acknowledgment. If the parties have agreed that the seller shall carry out installation and installation at a location determined by the buyer, the buyer at the site shall ensure that:

- (a) access roads and, where applicable, elevators are available to the seller;
- (b) the storage facilities and unpacking facilities are at the disposal of the seller;
- (c) other work does not prevent or hamper the installation and that the premises are cleared for installation;
- (d) the work can be performed without hindrance by the seller in a continuous sequence and at regular working hours, ie. weekdays between 6 pm 7am and 5pm;
- (e) the seller has free access to electric power and lighting throughout the installation time;
- (f) premises and storage areas during the installation period are securely locked and alerted and keys available to the seller; and
- (g) if the delivery includes products to be anchored to the floor, wall or ceiling, that their bearing capacity and construction can do so.

The buyer shall reimburse the seller for the work and costs incurred by the seller for the reason that the Buyer fails to fulfill its obligations under paragraphs (a) - (g) above. The drawing and connection of electricity, water, sewer or similar wires are not included in the seller's obligations.

If the buyer requests a change or addition to contracted or already completed assembly or installation work, the cost of this must be agreed upon and confirmed in writing by the seller before the seller is obliged to commence such work.

Incorrect goods shall accrue to the seller at the seller's request, and the buyer shall, at the seller's request, respond to the erroneous goods being sent to the seller at his expense. If the delivery includes wall systems or goods to be anchored to the wall, the buyer is responsible for the load bearing capacity of the walls. Vitet ska uppgå till 1,5% av det avtalade priset för sidan del av produkterna som dröjsmålet gäller och ska utgå för varje påbörjad sjudagarsperiod från den dag då leveransen skulle ha skett och så länge dröjsmålet varar. Vitet avser bl.a. säljarens kostnader för förvaring och hantering. Om säljarens verkliga kostnader till följd av köparens dröjsmål överstiger ackumulerat vite har säljaren rätt till ersättning även för sådana kostnader. Säljaren är skyldig att försäkra produkterna under tid den förvaras med anledning av köparens dröjsmål endast efter skriftlig begäran av köparen och först sedan köparen i förskott ersatt säljaren kostnaderna för sådan försäkring.

Om köparens dröjsmål varat mer än 10 veckor får säljaren skriftligen kräva att köparen tar emot leveransen inom en skälig tidsfrist, vilken ska vara minst 14 dagar. Underlåter köparen att ta emot produkterna inom tidsfristen har säljaren rätt att skriftligen häva Avtalet avseende den del av leveransen som inte kunnat fullgöras till följd av köparens oförmåga att ta emot leveransen. Häver säljaren Avtalet eller del av Avtalet med hänvisning till köparens dröjsmål har säljaren rätt till ersättning för den direkta skada säljaren lider till följd av

Krav på vite och/eller skadestånd ska framställas skriftligen senast inom 30 dagar från det att maximalt vite uppnåtts eller, i förekommande fall, från det att säljaren hävt avtalet. Försummas detta förlorar säljaren sin rätt att kräva vite och/eller skadestånd med anledning av dröjsmålet i fråga varvid kravet inte heller får återopas till kvittning.

8. BETALNINGSVILLKOR

Köparen skall erlägga betalning för levererat gods inom 30 dagar från fakturadatum. Säljaren åger rätt att ej leverera godset om köparen kan antagas vara på obestånd och köparen ej erlägger betalning i förskott eller ställer av säljaren godkänd säkerhet för betalning. Om köparen ej betalar i rätt tid, är säljaren berättigad från fakturans förfallodag tillgodoräkna sig dröjsmålsränta, som med åtta procentenheter överstiger Riksbankens referensränta. Köparen har inte rätt att hålla inne någon del av betalningen till kvittning med anledning av krav köparen har mot säljaren.

9. ÄGANDERÄTTSFÖRBEHÅLL

Levererat gods förblir säljarens egendom tills dess full betalning erlagts. Vid delbetalning skall, om återtagande av gods sker, säljaren ensidigt bestämma vilken del av leveransen som kvarstår obetald. Köparen skall hålla levererat gods betryggande försäkrat till dess äganderätten till godset övergått till köparen.

10. SÄLJARENS DRÖJSMÅL MED LEVERANS

Inser säljaren att leverans inte kommer att kunna ske i rätt tid ska säljaren snarast underrätta köparen om detta skriftligen. Meddelandet ska innehålla orsaken till förseningen och, om möjligt, den tidpunkt då leverans beräknas kunna ske. Om leveransförseningen beror på någon omständighet på köparens sida har säljaren rätt till skälig förlängning av leveranstiden.

11. MONTERING OCH INSTALLATION

Såvida annat inte framgår uttryckligen av ordererkännandet skall montering och installation av Produkten ske genom köparens försorg och på köparens bekostnad. Montering och installation ingår således inte i avtalat pris såvida inte detta framgår uttryckligen av ordererkännande. Har parterna avtalat att säljaren ska utföra montering och installation på en av köparen bestämd plats ska köparen på platsen se till att:

- tillfartsvägar och, i förekommande fall, hissar är tillgängliga för säljaren;
 - lagringsutrymmen och uppkningslokaler står till säljarens förfogande;
 - andra arbeten inte förhindrar eller försvårar installationen samt att lokalerna är avstäda-de för installation;
 - arbetena utan hinder kan utföras av säljaren i en sammanhängande följd och på ordinarie arbetstid, dvs. vardagar mellan kl. 07.00 och 17.00;
 - säljaren har fri tillgång till elkraft och belysning under hela installationstiden;
 - lokaler och förvaringsutrymmen under installationstiden är låsta och larmade på betryggande sätt och nycklar disponibla för säljaren; och
 - om leverans omfattar produkter som ska förankras i golv, vägg eller tak, att bärigheten i och konstruktionen av dessa klarar detta.
- Köparen ska ersätta säljaren för det arbete och kostnader som uppkommer för säljaren med anledning av att köparen inte uppfyller sina förpliktelser enligt punkt (a)-(g) ovan. Såvitt gäller punkten (f) ovan ansvarar köparen för stöld och skador på platsen som, oberoende av vållande hos köparen eller dennes personal, drabbar levererat gods och/eller verktyg avsedda för leveransen.

Framdragning och inkoppling av el-, vatten-, avlopps- eller liknande ledningar ingår inte i säljarens åtaganden.

Begär köparen ändring i eller tillägg till avtalade eller redan utförda monterings- eller installationsarbeten ska kostnaden för detta vara avtalad och skriftligen bekräftad av säljaren innan säljaren är skyldig att påbörja sådana arbeten.

Om det i samband med montering eller installation framgår att ytterligare arbete krävs eller bör utföras utöver vad som tidigare avtalats (ÅTA-arbeten) ska säljaren utan dröjsmål inhämta köparens godkännande till sådana ytterligare arbeten. För det fall att säljaren gör bedömningen att kostnaden för sådana ytterligare arbeten understiger av parterna överenskommet gränslöpp krävs emellertid inte köparens föregående godkännande utan säljaren har då rätt att utföra arbetet ifråga men ska utan dröjsmål därefter underrätta köparen om det arbete som utförts och kostnaden för detta. Såvida inte annat skriftligen avtalats ska gränslöppet motsvara en tiondels prisbasbelopp.

12. ANSVAR FÖR FEL

Säljaren förbinder sig att avhjälpa genom bristfälligheter i konstruktion, material eller tillverkning uppkommande fel, som upptäckts inom två år från den dag godset levererades. Säljarens ansvar för fel förutsätter att godset behandlats enligt de skötselavvisningar som finns för godset, att godset används rätt och för det ändamål det är avsett, att godset underhållits, att godset inte utsatts för onormal förlitning, att godset monterats riktigt när monteringen inte utförts av säljaren och att felet inte beror på att köparen föreskrivit visst material eller viss konstruktion. Avhjälpan av fel kan ske, efter säljarens val, genom reparation eller utbyte av levererat gods.

Säljaren skall anses ha fullgjort sin skyldighet för felet när nytt gods sänts till den adress dit det felaktiga godset levererades av säljaren eller om säljaren valt att reparera, när reparationen genomförts. Om säljaren levererat det felaktiga godset till köparens kunds adress skall säljaren anses ha fullgjort sin skyldighet om han levererar godset till köparens lager.

Köparen skall skriftligen lämna säljaren meddelande om felet senast inom sju (7) dagar från dagen då felet upptäckts. Meddelandet skall innehålla en beskrivning av felet. Om felet kan orsaka skada skall köparen reklamera omedelbart. Om köparen inte reklamerar i enlighet härmed har han förlorat sin rätt att rikta anspråk på grund av felet.

Felaktigt gods skall på säljarens begäran tillfalla säljaren och köparen skall på säljarens begäran svara för att det felaktiga godset sänds till säljaren på dennes bekostnad. Om leverans omfattar väggsystem eller gods som skall förankras i vägg ansvarar köparen för väggarnas bärlighet. Bärlistor skall monteras av fackman enligt säljarens anvisningar. Om det visar sig att köparens reklamation varit obefogad, tex på grund av att inget fel förelegat, skall köparen betala säljarens kostnader på grund av reklamationen.

13. ANSVAR FÖR VARANS SKADEBRINGANDE EGENSKAPER

Säljaren ansvarar inte i något fall för skada, som drabbar köparen till följd av att varan orsakat skada på annan egendom av vad slag de vara må. Säljaren är heller inte ansvarigt gentemot köparen för ersättningsanspråk från köparen som grundas på skadeståndsanspråk från tredje man, däri inräknat hos köparen anställd personal, till följd av personskada, annat än i sådant fall, då köparen enligt lag haft att svara i säljarens ställe och förutsatt att säljaren beretts tillfälle att samråda med köparen vid handläggningen av köparens skadereglering i förhållande till skadelidande tredje man och efter säljarens val; då säljaren beretts tillfälle att överta köparens skadeståndsskyldighet, eller, om den skadelidande inte medger ett sådant övertagande, då säljaren beretts tillfälle att självständigt föra köparens talan mot löfte att hålla köparen skadeslös i tvisten. Säljaren svarar fullt ut och i enlighet med gällande lag i de fall tredje man ställer anspråk direkt mot säljaren grundande på skadebringande egenskaper hos varan. Köparen skall dock i sådant fall ersätta säljaren i den mån skadan uppkommit till följd av att köparen åsidosatt säljarens anvisningar för användning av varan eller inte vidareförmädat säljarens villkor i förhållande till köparen beträffande varans användning.

14. TRANSPORTSKADA

Om skada på gods kan antagas ha inträffat under transporten, skall köparen anmäla skadan till; transportskador@edsbyn.com inom sju (7) dagar från godsets mottagande. Reklamerat gods måste finnas tillgängligt för besiktning av försäkringsbolag i tre månader, från och med anmälningsdatum. Behandling av reklamerationsärendet sker i enlighet med NSAB respektive CMR-konventionens bestämmelser. Om anmälan ej inkommit enligt ovanstående, fransäger sig AB Edsbyverken allt ansvar vad gäller ersättning av det skadade godset.

15. SKADESTÅND

Säljaren är inte skyldig att på grund av fel eller brist i godset, vid försening av leverans eller om godset haft skadebringande egenskaper, utge någon ersättning till köparen för utebliven vinst eller annan indirekt skada. Är ena parten skyldig att utge skadestånd till den andra, skall skadeståndet täcka endast sådan skada, som den felande parten skäligen kunde ha förutsett vid tiden för avtalets slutande. Ersättning för skada må under inga omständigheter överstiga ett belopp motsvarande värdet av det gods som orsakat skada.

16. FORCE MAJEURE

Om part, inklusive parts underleverantör, är förhindrad att fullgöra avtalet som en följd av en händelse utanför dess kontroll (inklusive men inte begränsat till, strejk, brand, översvämning, extrem väderlek, naturkatastrofer, krig, uppror, invasion, skadegörelse, sabotage, upplopp, terrorism, embargon, knapphet på transportmedel, allmän varuknapphet eller ny lagstiftning) och vilken händelse inte rimligen kunde förutses vid Avtalets ingående, är parten befriad från skyldighet att fullgöra Avtalet. Så snart befrielsegrunden upphört ska fullgörelse i enlighet med Avtalet återupptas. Skulle fullgörelsen uppskjutas med stöd av denna punkt under mer än sex månader äger vardera parten rätt att säga upp avtalet med omedelbar verkan. Part som vill hävda befrielsegrund enligt ovan ska snarast under rätta motparten om detta skriftligen.

Part ansvarar inte för skada eller förlust som kan uppstå som en följd av att partens fullgörelse skjuts upp med hänvisning till punkten ovan. Oaktat det föregående är köparen alltid skyldig att ersätta säljaren för de kostnader som denne åsamkas för att säkra och/eller skydda produkterna om befrielsegrund enligt punkten ovan hindrar köparen från att ta emot leverans.

17. IMMATERIELLA RÄTTIGHETER

Ingen del av anbudet, offerterna eller ordererkännandet innefattar en överlåtelse eller upplåtelse av några immateriella rättigheter eller know-how av något slag. Förslag, skisser, konstruktioner, ritningar och annan information som tillhandahållits av part ska förbli den partens egendom och får inte utan partens medgivande användas för annat ändamål än det för vilket det tillhandahållits enligt anbudet, offerterna eller ordererkännandet och får inte kopieras, utlämnas till eller på annat sätt bringas till tredje mans kännedom.

Köparen ska ersätta säljaren för alla skador, krav, kostnader och utgifter som följer av inkrång eller påstådda inkrång i patent, upphovsrätt, varumärkesskydd, mönsterskydd eller andra immateriella rättigheter som säljaren gör sig skyldig till som en följd av att säljaren följt köparens instruktioner, krav, anpassningar eller specifikationer avseende produkternas utformning, design eller motsvarande.

18. ORDERERKÄNNANDE

Order läggs när anbud/offert är till 100% godkänd av köparen. Det åligger köparen att säkerställa att anbud/offert speglar de produkter och priser som överenskommit. Anmärkning på ordererkännande och/eller orderkvittens ska ske senast 2 arbetsdagar från det att säljaren skickat ordererkännande och/eller orderkvittens, varefter köparen inte har rätt att invända mot innehållet i ordererkännandet.

Vid överenskommen ändring av order har säljaren alltid rätt till ersättning för alla kostnader som säljaren drabbas av till följd av detta, t.ex. men inte begränsat till avbeställningar hos underleverantörer, ändrad leveransplan, etc. Om en överenskommen ändring av order påverkar tidigare överenskommen leveransplan har säljaren vidare rätt att justera leveransplanen. Säljarens rätt till ersättning för kostnader och rätten att justera leveransplanen gäller oavsett om säljaren förbehållit sig sådan rätt eller inte i samband med att parterna överenskommit om en ändring av ordern.
