

LOOP STOOL

DESIGN TEA

A comfortable, stable and tough stool with a unique character. A stool for public environments with many people in movement and the need to cope with a great deal of wear.

You can vary the Loop Stool in terms of structure and thereby appearance, making it perfect for a range of touchdown spaces. The Loop Stool is available in two heights and can be produced in conceptual monochrome, elegant leather upholstered, with a leather-wrapped back support or in a sporty version with technical fabrics and soft cellular plastic in the back support.
