

PIECE LIGHT TABLE

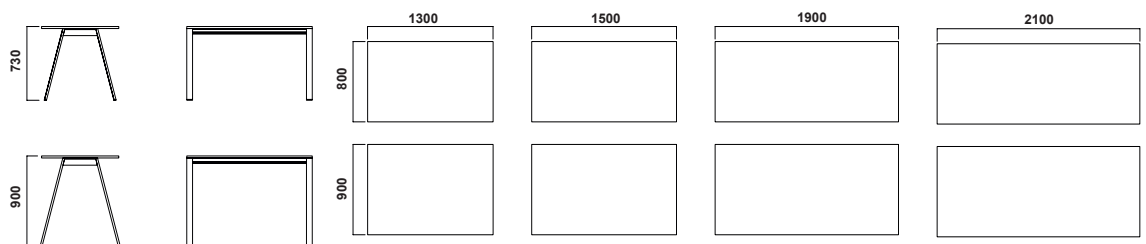

DESIGN BY TEA

A series of rectangular tables created for creativity and work. The table has a metal stand and is suitable for the meeting, dining and project rooms. Piece Light invites to meetings and collaborations. It is created to be used as a practical media piece of furniture where the use of laptops, tablets and smartphones is simplified. Light is a further development of the Piece series designed by TEA. The table top is rectangular and comes in hpl or veneer. Cable cover is available as an option. Choose stand color in white, black, silver, misty gray and dark chocolate.
