

CHOICE TABLE

DESIGN BY EDSBYN

Choice - a minimalist, sustainable, functional, flexible, scalable, affordable and modular table with an contemporary appeal. Regardless of the form of the meeting, working methods or number of people, there is one Choice Table that meets the need in today's and tomorrow's workplaces. The system contains few components with different stand solutions, a flexible measuring chain and a wide range of materials. This creates many opportunities and gives a great deal of freedom to choose the design and function that best suits both users and businesses.
