

# Access Storage

Design Jens Fager

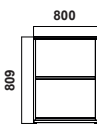

Access Storage is a storage line with the focus on function and choice. Edsbyn has been producing quality customised furniture for over 100 years, and the Access family is our response to your demands. Access Storage comes in a broad range of authentic veneers in Birch, Oak, Ash and with painted surfaces. The Fern Green and Sandy Grey shades have been specially designed by our designer Jens Fager. Fern Green was inspired by bracken and our serene Swedish forests. Sandy Grey conveys a sense of boulders crumbling into sand.
