## Design

By Edsbyn

In his role as a product developer at Edsbyn, Jon uses his creative ability and deep woodworking knowledge to develop new furniture.

Jon has developed Choice Table - a complete table series that meets the needs of all workplaces, users, and businesses.

## Your Choice

Few Details – Many Possibilities

The series consists of three table tops with a flexible measuring chain and two different stand solutions, T-foot or T-foot electric stand. Choice Desk is also offered with a wide material palette.

This creates many possibilities and gives great freedom to choose the design and function that best suits both users and business.
